

# AMBASSADOR'S BRIEF

“A church where everybody is somebody- Christ's Ambassador”.

December 2023

*“For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace. Of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even for ever. The zeal of the LORD of hosts will perform this. The Lord sent a word into Jacob, and it hath lighted upon Israel.”* **Isaiah 9:6-8 KJV**

The hunger for passion is universal. God designed the human soul to be passionate, abandoned, and fiery. Passion is a compelling emotion; it is a strong desire for something. Passion is a powerful catalyst. It acts like a magnet that attracts its keeper to its source. Read **Exodus 13:21-22, 40:32-38, Number 9:15-23, Psalm 114, John 10:27, Genesis 1:26-28.**

Passionate people get things done and seem to be able to acquire the resources necessary to accomplish great undertakings. Passion is born out of commitment—the more of yourself that you offer to God, the more passion you'll receive in return. Passion overflows boundaries: it is not often logical or seemingly appropriate. To enter the world of passion we must relinquish our need to predict the outcome. Passion is what happens when we let go of control. When the corn of wheat falls to the ground and dies, then much fruits brings glory to God.

This kind of extreme passion I have titled, "crazy love." Crazy love puts you on the cutting edge because it is willing to bear the stigma of a new move of God. Crazy love has the components of both compelling passion and the willingness to abandon all on the altar and become a living sacrifice. I believe that right now we are living in a time that demands crazy love.

I have found that God releases a pleasure in my soul through crazy love. I can sense the smile of God in my heart when I am consumed with this dynamic. There is a spiritual intensity found in this gift that disrupts our lives, status quo, and typical spiritual growth. I'd like to make it clear that when I'm talking about crazy love, I'm not talking about shallow sentimentalism, nor am I talking about dumbing down to a religious mentality. I'm talking about a baptism of holy affection, that the new creation life can only express and demonstrate. I'm talking about the "first love" fervency that Jesus referred to in the Book of Revelation.

God is saying we're to lavish this love, break the jar, and release a fragrant love, a crazy love, about who God is (see **Mark 14:3**). A passion for Jesus and His eternal purposes must consume us. I'm convinced that we're living in a critical moment in time. God is imparting divine abandonment that will appear fanatical to those who don't understand you. A revival of intimate encounters with God is coming, and as a result, believers will be filled with extravagant fervency.

For Zion's sake I will not hold My peace, And for Jerusalem's sake I will not rest, Until her righteousness goes forth as brightness, And her salvation as a lamp that burns. The Gentiles shall see your righteousness, And all kings your glory (**Isaiah 62: 1-2a**).
